Aluminium frame and polyester plywood stand structure (booth in a row: 2 side walls. corner-booth: 1 side wall. front-booth: no side walls). Overhead signage with vinyl stickers (company name and logo).

2. To be provided by the exhibitor

- b) Payment is to be made on invoicing.
- c) In the event of a delay in payment on the part of the exhibitor CTI shall be entitled to charge annual interest on arrears amounting to 5% above the base lending rate (§ 247 para. 1 of the German Civil Code). CTI further reserves the right to claim additional damages for default of payment. Similarly, the exhibitor has the right to submit proof that no damages were caused or that the amount of damages was much lower than being claimed by CTI.

3. Guarantees and liability

- a) The exhibitor guarantees that he holds the required rights to all names, logos, monograms, photographs, etc. that he is using and that these are permitted without reservation – and may be used by CTI - under company and trademark law and under the rules of competition and trade.
- b) The exhibitor shall be liable for all claims for damages made by third parties, who for whatever legal reason are connected with a breach of the said guarantees in accordance with § 3 a), as well as for all resulting costs (including legal defence costs) incurred by CTI.
- c) The exhibitor undertakes to release CTI from any claims for damages made by third parties in connection with the running of the exhibition stand.

4. Date of commencement

The contract commences with the signing of the booking form by the exhibitor.

5. Right of cancellation by CTI

CTI reserves the right to withdraw from the contract in the following circumstances:

- b) where obligations to third parties involved in the organisation of the event, including conference speakers, hotels, etc., whose full details were not known on the contract signing date, impose conditions that render the fulfilment of the said contract impossible
- c) if the exhibitor fails to submit the required documentation by the agreed deadline
- d) if the exhibitor has filed for bankruptcy.

In all the aforementioned circumstances the payments and fees made under the statutory provisions shall be refunded, either wholly or in part, to the exhibitor. Claims for damages or any other claims on the part of the exhibitor shall not be considered.

6. Right of cancellation by the exhibitor

- a) Cancellation by the exhibitor must be drawn up in writing and signed.
- b) Where cancellation is made more than 4 weeks before the date of the event, 50% of the total amount invoiced shall be charged.
- c) If cancellation is made less than 4 weeks before the date of the event the full amount invoiced shall be payable.
- d) The amount of the cancellation fee shall essentially be determined by the date on which written notification to cancel is received.

7. Anti-corruption rules

- (1) Anti-corruption and anti-bribery/definitions

Personal benefits include all forms of gifts, loans, fees, rewards or other inducements (taxes, services, donations, etc.).
 - (1.2) The obligations as set down under the above Clause (1.1) also apply to all employees of the partner and EUROFORUM, particularly executive directors, business managers, senior staff members, employees and any other persons acting in the name of the company.
